Thank You

This year, our theme is **Prepared for Excellence and Ready for Career Success.** For 23 years, the faithful and gracious giving of our municipalities, Prince George's County, Maryland State, Congressional, corporate partners, and individual gifts, have helped to Bridge education, health, poverty, safety, and morality Gaps through relevant End Time Harvest Ministries’ (ETHM) programming. Thirty (30) graduates of the Port Towns Youth Council and Pathways to Career Success Program are so grateful for the support you consistently give ETHM youth and their families that helps them to attend, college, military, vocational school, or to transition immediately into the workforce.

ETHM is thankful to God for entrusting me to carry out its vision of **Healing Communities by Healing our Youth.** Your kind investments continue to help youth acquire access and opportunities far beyond their dreams such as meeting phenomenal people like you. Your ongoing investments in our youth and families empower them to be responsible, respectful, and productive citizens.

May God continue to bless you and keep you.
